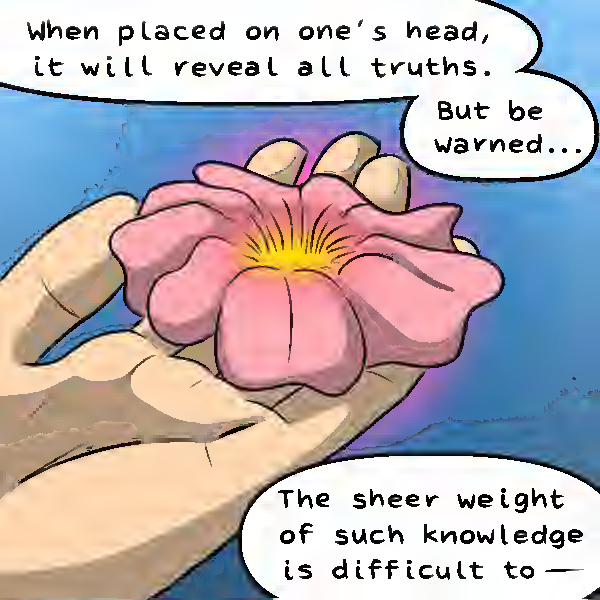
Yo, sorcerer. I forgot to study for my cat test or whatever.
Got anything magical to help me learn stuff super quick?

I don't know...
The last cat I lent my all-seeing toothbrush to didn't handle it too well.

I guess you could say she's still a bit...
CATatonic!

Sigh
point taken.
Behold, the flower of infinite knowledge.
BAT!
SPILL



When placed on one's head, it will reveal all truths.
But be warned...
The sheer weight of such knowledge is difficult to —

Yeah, yeah, whatever. Why bother explaining things when I can just magically *know* them?
Hurry up and make with the magic, you wizardly old fart.
